

EFFECTIVE 01-01-2009 - Vehicle fee changes

Title Fee Increases

- Regular title fee will increase from \$15.00 to \$25.00
- Salvage title fee will increase from \$7.00 to \$15.00
- Replacement title fee will increase from \$15.00 to \$25.00
- Dealer Foreign title will remain at \$10

Registration Fee Increases

- Registration fees for trailers 2000 pounds or less increase from \$10.00 to \$20.00 annually.
- Registration fees for trailers over 2000 pounds increase from \$10.00 to \$30.00 annually.
- Registration fees for travel trailers increase from \$.20 per square foot to \$.30 per square foot annually.
- Beginning with model year 2010 trucks (for non-business use), and the weight is 5 tons or less, the annual registration fee is based on the same weight/value formula that applies to automobiles and multipurpose vehicles.

Business-Trade Truck

- A business trade truck must weigh 5 tons or less and be owned by entities that file as a business for tax purposes or by persons that file a schedule C or schedule F form for tax purposes. The truck must be eligible for depreciation under the Internal Revenue Code. Penalties, up to \$2,250, apply for falsely registering a vehicle as a business-trade truck. Beginning with model year 2010, trucks that qualify as "business-trade" must display a business-trade truck license plate in order to qualify for business trade truck fees.
